

Investment Analyst – Liquid Strategies

About FPPA

The Fire and Police Pension Association was created by legislative mandate in the 1980's. Our leadership team guides us in fulfilling our mission, vision and values while achieving our strategic objectives. We administer a statewide multiple employer public employee retirement system providing defined benefit plan coverage as well as death and disability coverage for police officers and firefighters throughout the State of Colorado. We are a small association of only 55 staff located in Greenwood Village.

Our Investment Division plays a critical role in our success managing our \$5.0B in assets. We work hard and have a culture that supports staff to establish a well-balanced relationship between their personal needs and work commitments.

Position Summary

We are looking for an Investment Analyst to join our Liquid Strategies team overseeing the Global Public Equity, Fixed Income, Long/Short Equity and Absolute Return investment classes. We are looking to this new position to play a key role in the implementation and monitoring of our investment portfolio through the evaluation of current and potential investment managers and strategies.

Required Qualifications Summary

To be successful in this position you will need to have a minimum of 3 year's professional experience doing investment analysis. A minimum of a bachelor's degree in finance or accounting from an accredited college or university is required and a master's degree is preferred. Working toward advancement toward the Chartered Financial Analyst designation or other investment accreditation is also preferred.

Other requirements include a proven ability and professional experience in evaluation professional investments, excellent written and oral communication skills, ability to balance multiple projects and work collaboratively in a small team environment.

Final candidates will be subject to a drug screen, background check and reference check.

How do you apply?
