

Senior Accountant

About FPPA

The Fire and Police Pension Association was created by legislative mandate in the 1980's. Our leadership team guides us in fulfilling our mission, vision and values while achieving our strategic objectives. We administer a statewide multiple employer public employee retirement system providing defined benefit plan coverage as well as death and disability coverage for police officers and firefighters throughout the State of Colorado. We are a small association of only 60 staff located in Greenwood Village. We work hard and have a culture that supports staff to establish a well-balanced relationship between their personal needs and work commitments.

Position Summary

We are looking for a process oriented Senior Accountant who enjoys being part of a team and is a great communicator. This opportunity includes the rigor and routine you would expect in a Senior Accounting position as well complex problem solving and creative project work. This role is responsible for daily accounting and required internal and external reporting for our defined benefit and defined contribution plans as well as updating and maintaining contribution receivables for all our plans.

Required Qualifications Summary

To be successful in this position you will need to have a minimum of 5 years professional accounting or audit experience. Ideally, you will have a Bachelor's Degree in accounting or closely related field or the equivalent combination of education and experience. Having demonstrated experience of independent judgment and discretion with minimum supervision within a team environment is required.

Intermediate technical knowledge of different accounting software and MS Word, Excel and Outlook is also required. Experience with Microsoft Dynamics GP is preferred. Professional experience with defined benefit pension or defined contribution retirement plans is also preferred.

Additional Qualifications

If offered this position we do conduct a full background and credit check and drug test.
