

Sr. Investment Analyst – Private Markets

About FPPA

The Fire and Police Pension Association of Colorado administers a statewide multiple employer public employee retirement system providing defined benefit and defined contribution benefits for police officers and firefighters throughout the State of Colorado. We are a small association of 65 staff located in Denver, Colorado. Our 13-member Investment Division plays a critical role in our success managing our \$7.5 billion in assets. Our leadership team guides us in fulfilling our mission, vision and values while achieving our strategic objectives. We work hard and have a culture that supports staff to establish a well-balanced relationship between their personal needs and work commitments.

Position Summary

Reporting to the Director of Private Markets, this position provides investment analysis support in the implementation and monitoring of the Private Markets investment portfolio through the evaluation of current and potential investment managers and co-investments.
